

Speak Up 2010 Survey
For Aspiring Teachers
Project Tomorrow

1. **What is your status or standing with your college or university?**
2. **How would you describe your current interest in a teaching career?**
3. **What types of electronic devices do you have access to for your own use? (check all that apply)**
4. **Thinking about your peers, do you consider yourself...**
5. **How are you using technology as part of your college or teacher preparation program? (check all that apply)**
6. **As you think about the type of teacher you would like to be, how important is the use of technology in your classroom?**
7. **In your teaching methods courses, which technology tools or techniques are you learning to use? (check all that apply)**
8. **What types of digital content are your professors using in your methods courses? (check all that apply)**
9. **What is the best way for you to learn about effective strategies for integrating technology into instruction? (check all that apply)**
10. **In the past year, which of these things have you done on your own (not professor directed, not homework) to help you prepare to teach? (check all that apply)**
11. **Which of these experiences would best prepare you to teach in a 21st century classroom? (check all that apply)**
12. **How much do you agree with this statement: I believe I am being prepared to use technology effectively to enhance student achievement.**
13. **Today students have access to mobile devices that are small, light enough to carry in one hand and provide a high degree of multi-functionality. Teachers and students are exploring how to use these devices for learning. What do you think would be the primary benefits of incorporating such devices into instruction?**
14. **In the past 12 months, how have you been involved in classes taught online? (check all that apply)**
15. **How do you use Internet based tools and applications (Web 2.0) for personal interests? (check all that apply)**
